

### **FREE - MD/DE CHILDREN'S WATER FESTIVAL**

Children's Water Festivals are exciting, educational events. The festivals showcase water education through hands-on activities. The educational experience is for students and teachers, and enables students to...

- Explore water through interactive and dynamic activities;
- Learn about drinking water, groundwater, watersheds, surface water, and water quality topics in engaging presentations; and
- Gain a better understanding of their water supply and a greater appreciation for what a truly precious resource it is.

Festival activities include:

- Edible Aquifers
- Water Jeopardy
- Plenty of hands-on activities, presented by water and natural resource experts
