**Water Systems Council Member Carl Lee Named
National Ground Water Association's Supplier of the Year**

Washington, DC (December 12, 2007) – Carl Lee, Water Systems Council (WSC) member and vice president of Milby Company, has received the National Ground Water Association's (NGWA) Supplier of the Year Award. The award was presented in recognition of Lee's leadership and his efforts that promote groundwater issues to the industry and the general public.

Lee is an advocate for clean water and protecting our water supply. He is an active member of WSC, NGWA, and the Maryland/Delaware Water Well Association. Milby Company serves Maryland and Virginia.

WSC is a national nonprofit organization dedicated to promoting the wider use of wells as modern and affordable safe drinking water systems and to protecting ground water resources nationwide. It is the only national organization solely focused on individual water wells and other private well-based water systems.
