Individual, domestic wells are cost-effective,
dependable safe drinking water systems for **660,888**
people or at least **188,829 households** in **New**
Hampshire. Domestic wells account for **44% of the total**
groundwater use in the state.

More than 9,500 well owners have joined the **wellcare**® Well Owners Network. Members come from every state including **New Hampshire**.

The **wellcare**® Well Owners Network is **FREE** to join and provides important information on wells for your constituents through a quarterly e-newsletter. Network members also get discounts on well water test kits.

Our goal is to have **1,000,000 wellcare**® members nationwide.

*There are more than 70
water well contracting
firms in New Hampshire.
Most of these companies
are small, often family-
owned, businesses.*

calling me back. You have
been very informative."*

**Maureen, Well Owner from
Chester, NH**

*"Thank you for your time.
You have answered all of
my questions."*

**Lynn, Well Owner from
Newfields, NH**

Children's Water Festivals

Each year, WSC works with state and local organizations to host **Children's Water Festivals** for 5th & 6th graders. Tens of thousands of students, teachers and others have had fun while learning valuable information about the importance of water!

Contact us for more information on festivals or to ask WSC to help you plan a festival in **New Hampshire**.

WSC's **FREE wellcare®** hotline has answered questions from more than **30,000 well owners** and others looking for information or technical assistance related to wells and groundwater.

And, WSC's website received more than **500,000** hits asking for assistance from the hotline or to download **wellcare®** Information Sheets.

To refer well owners in your state to WSC, to request programs for your constituents, or to get information on all of the services WSC provides well owners, contact **Margaret Martens, WSC Executive Director, at 202-625-4387.**
