and National Ground Water
Association as WSC members.

*There are nearly 320
water well contracting
firms in Ohio.
Most of these companies
are small, often family-
owned, businesses.*

Individual, domestic wells are cost-effective,
dependable safe drinking water systems for **2,477,601
people** or at least **705,302 households** in Ohio.

Domestic wells account for **15% of the total groundwater
use** in the state.

More than 9,500 well owners have joined the **wellcare® Well Owners Network**. Members come from every state including Ohio.

The **wellcare® Well Owners Network** is **FREE** to join and provides important information on wells for your constituents through a quarterly e-newsletter. Network members also get discounts on well water test kits.

Our goal is to have **1,000,000 wellcare®** members nationwide.

much!"*

**Richard King, Well Owner
from Xenia, OH**

*"I'm glad I talked with
you, thank you very
much."*

**Darrin Joseph, Well
Owner from Columbus,
OH**

Children's Water Festivals

Each year, WSC works with state and local organizations to host **Children's Water Festivals** for 5th & 6th graders. Tens of thousands of students, teachers and others have had fun while learning valuable information about the importance of water!

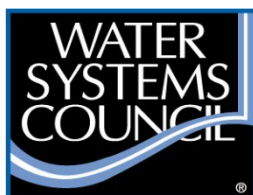

Contact us for more information on festivals or to ask WSC to help you plan a festival in **Ohio**.

WSC's **FREE wellcare®** hotline has answered questions from more than **30,000 well owners** and others looking for information or technical assistance related to wells and groundwater.

And, WSC's website received more than **500,000** hits asking for assistance from the hotline or to download **wellcare®** Information Sheets.

To refer well owners in your state to WSC, to request programs for your constituents, or to get information on all of the services WSC provides well owners, contact Margaret Martens, WSC Executive Director, at 202-625-4387.
