		Quarterly	Distributors
		Semi-Annual (By-State)	Manufacturers
		Semi-Annual (percentages)	Distributors
Pump Report C	Unit shipments of Submersible over 4" and Component Submersible Systems.	Monthly	Manufacturers
		Quarterly	Distributors
		Semi-Annual (By-State)	Manufacturers
		Semi-Annual (percentages)	Distributors
Tank Report	Pressurized Water Storage Tanks and Hydro-pneumatic Storage Tanks	Monthly	Manufacturers
		Quarterly	Manufacturers
Regional Report	Five-year Average Growth Trends for Jet and Submersible Pumps	Semi-Annual	Manufacturers
			Distributors

Information in WSC Statistical Reports is limited to participating companies and is not to be published or disseminated in any way.

WSC Statistical Reporting program is offered only to active WSC members in good standing.

- Only WSC members in good standing will be eligible for participation in the Statistical Report Program.
- Any WSC member manufacturing products reported in the Statistical Reports Program must report data for the appropriate reports.
- Any WSC manufacturer member will receive one (1) complimentary report.
- Any WSC manufacturer member reporting data for both pump and tank reports will receive two (2) complimentary reports.
- Any WSC manufacturer member reporting data for the quarterly report(s) AND purchases the associated monthly report(s) will receive a complimentary copy of the quarterly reports.
- Any WSC manufacturer member has the option to purchase additional reports for an annual fee of \$550 per report if company participates in providing data for each requested report or that the company does not manufacture any water systems component that is being reported.
- New WSC members must be willing and able to provide data for statistical reports.
- New WSC members will be eligible to receive reports on the below vesting schedule. All membership years must be consecutive, or the vesting schedule begins again.
- Report data is collected by a third-party company to maintain confidentiality.
