

STATISTICAL REPORTS PROGRAM

The Water Systems Council (WSC) offers several statistical reports created by data collected from its members for their own benefit and use. These reports are listed below in the chart.

| Water Systems Council Statistical Reports | | | |
|---|---|------------------------|------------------------------|
| Report | Description | Frequency | Qualifying Members |
| Pump A Report | Unit shipments of Jet & Submersible 4" and under well diameter. Also includes Submersible Liquid Ends, Variable Frequency Drives (VFD), and Three-Phase Motors. | Monthly | Manufacturers |
| | | Quarterly | Distributors |
| | | Semi-Annual (By-State) | Manufacturers & Distributors |
| Pump C Report | Unit shipments of Submersible over 4" and Component Submersible Systems. | Monthly | Manufacturers |
| | | Quarterly | Distributors |
| | | Semi-Annual (By-State) | Manufacturers & Distributors |
| Tank Report | Pressurized Water Storage Tanks and Hydropneumatic Storage Tanks | Monthly | Manufacturers |
| | | Quarterly | Manufacturers |
| Regional Reports | Five-year Average Growth Trends using data from Pump A and Pump C Reports. | Semi-Annual | Manufacturers |
| | | | Distributors |

Information in WSC Statistical Reports is limited to participating companies and is not to be published or disseminated in any way.

WSC Statistical Reporting program is offered only to active WSC members in good standing.

Report data is collected by a third-party company to maintain confidentiality.

STATISTICAL REPORTS PROGRAM (continued)

- Only WSC members in good standing will be eligible for participation in the Statistical Reports Program.
- Any WSC member manufacturing products reported in the Statistical Reports Program must report data for the appropriate reports.
- Any WSC manufacturer member will receive one (1) complimentary report.
- Any WSC manufacturer member reporting data for both pump and tank reports will receive two (2) complimentary reports.
- Any WSC manufacturer member reporting data for the quarterly report(s) AND purchases the associated monthly report(s) will receive a complimentary copy of the quarterly reports.
- Any WSC manufacturer member has the option to purchase additional reports for an annual fee of \$700 per report if company participates in providing data for each requested report of that the company does not manufacture any water systems component that is being reported.
- New WSC members must be willing and able to provide data for statistical reports.
- New WSC members will be eligible to receive reports on the attached below vesting schedule. All membership years must be consecutive, or the vesting schedule begins again.
